

100 ACTS OF SERVICE

In celebration of our 100th Anniversary, we are proud to launch **100 Acts of Service**, an initiative that reflects who we are and why we serve.

Throughout 2026, teams and individuals across Med Center Health will participate in service opportunities across the communities we serve—giving back beyond our walls and honoring a century of compassionate care. In addition, each month will feature a themed collection drive supporting nonprofit partners, employees and patients within Med Center Health
